WHEREAS, Funder purchases and outsources the purchase of, future accounts- receivable, including without limitation, credit-card, debit card, bank card and/or other charge card receipts (collectively, “credit card”) (collectively, “Receipts”) from various merchants (“Merchants”), for an amount agreed to by Funder and the Merchants (“Program”);

WHEREAS, the Program permits Merchants to sell an agreed-upon portion of their future Receipts;

WHEREAS, Agent wishes to promote the Program, assist with its implementation and refer potential Merchants to Funder that may wish to participate in the Program, all subject to the terms hereof;

NOW, THEREFORE this Agreement witnesses that in consideration of the mutual covenants by each of the parties hereto, the parties hereby agree as follows:

1. **Agent Obligations.** Agent will market and promote the Program and assist interested parties in completing and submitting to Funder applications from Merchants, in a form acceptable to Funder. Each Merchant submitted by Agent to Funder shall comply in full with the requirements set forth in the rules and policies of Funder as they may exist from time to time. Funder will evaluate and, at its sole and absolute discretion, accept or deny such applications. Agent may not be the only or exclusive sales agent of the Program for Funder. Funder may, in its sole and absolute discretion, retain the services of other sales Agents.
2. **Agent Compensation.** In consideration for the services rendered by the Agent hereunder, Funder agrees to pay Agent in accordance with the Agent Compensation Schedule, set out in Schedule “A” annexed hereto (“Compensation”).

Merchant Fees. Agent agrees that it will not charge Merchants enrolled in the Program any fees for services Agent performs in connection with this Agreement. A violation of this paragraph is a for cause breach of the terms of this Agreement subject to penalties, including rescission of any Compensation paid or owed to Agent

3. **Merchant Application and Agreement.** Agent shall present to each potential Merchant only such marketing and promotional material that has been provided by Funder or approved by Funder, in writing. Included in such materials shall be a Merchant Application, in a form prescribed by Funder and a Merchant. Funder is not a lender and does not offer loan products. As such, Agent shall not market Funder’s services, either orally or in writing, as loans.

Agreement. Under no circumstances shall Agent have any right, in the course of carrying out its obligation hereunder, to offer or present any material on behalf of Funder (printed, electronic, or otherwise) to any prospective Merchant, actual Merchant or any other third party, that has not been supplied by Funder or approved in writing by Funder. Funder only shall be authorized to accept, ratify or finalize any Merchant Agreement and include a Merchant in the Program. Funder may, at its sole and absolute discretion decline to accept any Merchant to the Program for any reason whatsoever. Under no circumstances shall Agent hold out that it has any right to accept or decline a Merchant application for a Merchant Agreement nor shall it hold out or represent to any third party that it has the right to: (a) modify in any way or accept any Merchant Agreement; (b) include a Merchant in the Program; or (c) bind Funder legally or otherwise. No agreement made by or through Agent or its affiliates shall be legally or otherwise binding on Funder until accepted in writing by a duly authorized officer of Funder. Agent shall be solely responsible for any and all expenses incurred by Agent in performance of services hereunder including, but not limited to, expenses related to any Agent employees or consultants. Agent acknowledges and agrees that Funder may, at its sole discretion, amend the terms of the Program, including, without limitation the pricing thereof without prior notice or consent from Agent.

4. **Agent Identification.** In the course of carrying out its obligations hereunder, Agent shall clearly identify itself with its own corporate name, while also disclosing to all third parties that it is an agent of Funder for the promotion of the Program. Agent agrees that its actions and the actions of its shareholders, Affiliates (as defined below), directors, officers, employees, independent contractors, representatives, agents, principals and associates under or in connection with this Agreement (collectively “Agent Parties”) shall be governed, controlled and directed by, and shall be in full compliance with, the terms hereof and shall at all times and in respect of all parties and third parties be construed as actions taken by Agent subject to the terms hereof. Agent acknowledges and agrees that Funder shall not be liable in any manner for any liability of Agent to any third party for any reason. Agent shall be responsible to ensure that all Agent Parties are adequately trained to perform hereunder and conform to all of the provisions hereof. Agent covenants that Agent Parties shall abide by the obligations of the Agent set out in Schedule “A” annexed hereto.
5. **Background Check.** Agent hereby consents to the conducting of a background check by Funder to the full extent permitted by law.
6. **Representation and Warranties.** Each party hereto represents and warrants to and for the benefit of the other party that as of the date hereof and during the term hereof:
 - a. It is an entity organized, validly existing and in good standing under the laws of the State where its principal office is located and/or where it is authorized to do business;
 - b. It has full authority and corporate power to enter into this Agreement and to perform its obligations under this Agreement;
 - c. Its performance of this Agreement will not violate any applicable law or regulation or any agreement to which it may now be bound;
 - d. This Agreement represents its valid obligation and is fully enforceable against it;
 - e. It is not a party to any pending litigation that would have an impact on this Agreement and have never been fined or penalized by Visa, MasterCard, NACHA or any other association in the credit, payments or banking industry; and
 - f. It is not on the Member Alert to Control High-Risk merchants list of MasterCard or any other similar list.

Agent covenants, warrants, and represents that during the term hereof and so long as Agent is bound by the non-interference provisions hereof, it shall:

- a. Comply with any and all policies and guidelines established by Funder.

- b. Where appropriate, inform potential Merchants that they are required to change credit-card processors in order to participate in the Program;
 - c. Accurately describe the Program;
 - d. Immediately inform Funder of any changes that become known to Agent in the address, ownership, business, or operations of itself or of any Merchant;
 - e. Deliver to Funder all documents required as part of a Merchant Application together with each application, including, without limitation; Merchant Agreement, Application Form, voided Merchant check, Merchant statements, and any other documents required according to Funder guidelines, such as they may be from time to time;
 - f. Not use any promotional material for the Program without the prior written consent from Funder, including, without limitation, any logo, trademark or mark of any kind of Funder or any of its Affiliates;
 - g. Remain cognizant and in agreement that this Agreement may be terminated immediately by Funder upon breach of any obligation, covenant, representation or warranty set forth in this Agreement or if determined by Funder, in its sole discretion that Agent is causing a negative effect on the Program, Funder or its affiliates;
 - h. Not willfully cause or solicit a Merchant to terminate or alter its credit-card processing to another bank or processor that has no contractual affiliation with Funder or any of its Affiliates, or in any way willfully interfere with a Merchant Agreement to which Funder is a party.
7. **Term and Termination.** This Agreement may be terminated immediately by Funder or Agent for any reason upon ten (10) days' written notice to the other party. This Agreement, if not earlier terminated, may thereafter be renewed by written agreement of the parties. In the event of non-renewal or termination, all money due to Agent shall be payable immediately, and any future payments shall continue to be due and payable as they accrue pursuant to the terms of Schedule A attached hereto.

If Funder terminates this Agreement for cause or Agent terminates this Agreement for any reason, Funder shall have no obligation to pay any commissions or residuals to Agent after the date of termination and Agent agrees to forfeit any all rights it may have to any such compensations, commissions, or residuals. Termination for cause reasons include, but are not limited to, breach by Agent of the terms of this Agreement, or if determined by Funder that Agent (through Agent's own acts or omission or the acts or omission of any of Agent's agents, employees or independent contractors) is having an adverse effect on Funder.

8. **Non-Interference and Stacking.** During the term of this Agreement and for a period of two (2) years thereafter, or after Agent stops receiving Compensation hereunder, whichever comes last, Agent and Agent Parties shall not themselves willfully, nor willfully permit any respective subsidiary, Affiliate or successor in interest of their respective officers, employees, agents or nominees; (i) to interfere, in any manner whatsoever, either directly or indirectly by any arrangement whatsoever, with Funder's contractual relationship with any of its Merchants or clients; (ii) to cause or attempt to cause any Merchant or other client of Funder's to terminate its relationship with Funder or utilize the services of any entity other than Funder. For the purposes of this Agreement the term "Affiliate" or "affiliate" shall mean, with respect to a specified party, any party that directly or indirectly, through one or more intermediaries, controls or is controlled by, or is under common control with, the specified party.

No Stacking. Agent agrees that it shall not solicit Merchants with offers of additional capital while Merchant is enrolled in the Program. A violation of this paragraph is a for cause breach of the terms of this Agreement subject to penalties, including rescission of any Compensation paid or owed to Agent.

9. **Non-Solicitation.** The parties agree that throughout the term of this Agreement and for two (2) years thereafter, neither party, nor any of their respective affiliates shall knowingly hire any of the current officers or employees or agents of the other party hereto or any of its Affiliates so long as such restricted employee or agent remains employed or retained by such party or its Affiliates, without the prior written consent of such party.

10. **Remedies.** Without limiting the foregoing, in the event of a breach of this Agreement by Agent or any Agent Party, Funder shall be entitled to apply to a Court of competent jurisdiction for an injunction to restrain such breach, without the need for bond, and Funder shall have no obligation to make any further Compensation or other payment to Agent that might otherwise come due after such breach; provided that Agent does not cure the breach within ten (10) calendar days after notice thereof. Any remedies hereunder shall be in addition to any other remedies available to Funder in law or in equity.
11. **Assignment; Successors; Amendments.** Agent may not assign any right or obligation under this agreement to any third party without prior written consent of Funder, including an assignment by virtue of a sale of Agent's business. Funder may assign its rights and obligations hereunder with notice to the Agent. This Agreement shall inure to the successors and permitted assigns of the parties hereto. With the exception of amendments to the Program and Compensation, which may be made at the discretion of Funder, this Agreement may be amended only by a written agreement executed by both parties hereto.
12. **Confidential Information.** Each party acknowledges that it may directly or indirectly disclose Confidential Information to the other party in the course of negotiation of and performance of this Agreement. All such Confidential Information disclosed hereunder shall remain the sole property of the disclosing party (or other third party), and the receiving party shall have no interest in, or rights with respect thereto, except as set forth herein. Each party agrees to treat such Confidential Information with the same degree of care and security as it treats its most confidential information. Each party may disclose such Confidential Information to employees and agents who require such knowledge to perform services under this Agreement. Except as otherwise contemplated by this Agreement, neither party shall disclose the Confidential Information of the other party to any third party without the prior written consent of the disclosing party, and the duty of confidentiality created by this section shall survive any termination of the Agreement.

“Confidential Information” means all proprietary, secret or confidential information or data relating to either party, its affiliates, operations, employees, products or services, clients, customers and/or potential customers. Confidential Information shall include customer lists, card member account numbers, pricing information, computer access codes, instruction and/or procedural manuals, and the terms and conditions of this Agreement. Information shall not be considered Confidential Information to the extent, but only to the extent, that such information is: (i) already known to the receiving party free of any restriction at the time it is obtained; (ii) subsequently learned from an independent third party free of any restriction and without breach of this Agreement; (iii) or becomes publicly available through no wrongful act of the receiving party; (iv) independently developed by the receiving party without reference to any Confidential Information of the other; or (v) required to be disclosed by law.
13. **Notices.** Unless otherwise specified herein, any notices or other communications required or permitted hereunder shall be sufficiently given if in writing and delivered personally or sent by internationally recognized overnight courier, registered or certified mail (postage prepaid with return receipt requested) to the address of Funder or Agent set forth below. Such notices or other communications shall be deemed received (i) on the date delivered, if delivered personally, (ii) on the business day after being sent by an internationally recognized overnight air courier or (iii) five days after being sent, if sent by first class registered mail, return receipt requested.
14. **Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of New York (without regard to its principles of conflicts of laws) whose courts shall have sole jurisdiction over disputes arising hereunder. The parties hereto agree that issues arising hereunder are too complex to be addressed by a jury and covenant to elect for a non-jury trial in the event of a trial relating hereto. Should suit be brought to enforce or interpret any part of this Agreement, the prevailing party shall be entitled to recover its reasonable attorneys' fees and costs, including expert witness fees and fees on any appeal.
15. **Whole Agreement.** This Agreement, including all schedules, exhibits and attachments thereto, sets forth the entire agreement and understanding of the parties hereto in respect of the subject matter contained herein, and

supersedes all prior agreements, promises, covenants, arrangements, communications, representations or warranties, whether oral or written by any officer, partner, employee or representative of any party hereto. No amendment or modification to this Agreement nor any waiver of any rights hereunder, shall be effective unless assented to in writing by both parties. Nothing in this Agreement, express or implied, is intended to confer or shall be deemed to confer any rights or remedies upon any persons or entities not parties to this Agreement.

16. **Relationship of Parties.** Funder and Agent are independent contractors hereunder and their relationship shall not be construed as any other form of employer/employee relationship, joint venture or partnership. Funder intends no contract of employment, express or implied, with either Agent or any Agent Party; neither Agent nor any Agent Party has obtained any right to employment or compensation as an employee or any other benefits of an employee by way of this Agreement. Agent agrees that it shall be solely responsible for the purchase and maintenance of employment or workers compensation insurance coverage related to its employees and that Funder shall have no responsibility for any such liabilities.
17. **Indemnification.** Agent agrees to indemnify Funder, together with the officers, Directors, and employees of Funder, and defend and hold them harmless from and against all claims, losses, causes of action, liabilities, damages and expenses (including, without limitation, reasonable attorneys' fees) directly arising from, incurred as a consequence of or otherwise directly attributable to the gross negligence of Agent in connection with the services being provided in this Agreement.
18. **Limitation of Liability.** Funder shall not be liable hereunder to Agent or any third party for any liquidated, indirect, consequential, exemplary or incidental damages (including damages for loss of business profits, business interruption, loss of business information, and the like) arising out of this Agreement even if the party at fault has been advised of the possibility of such damages.
19. **Severability.** If any provision hereof is for any reason determined to be invalid, such provision shall be deemed modified so as to be enforceable to the maximum extent permitted by law consistent with the intent of the parties as herein expressed, and such invalidity shall not affect the remaining provisions of this Agreement, which shall continue in full force and effect.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed as of the date first written above.
